

Pieter Fourie awarded Alpha Manager rating for a second year in a row

Congratulations to Pieter Fourie, Head of Global Equities, for picking up an FE fundinfo Alpha Manager rating for a second year in a row.

The Alpha Manager Rating is a quantitative rating that distinguishes the top UK fund managers based on alpha generation and outperformance across their career history, allowing investors to instantly identify those managers who have consistently outperformed their peer group over time.

Only the top 10% of UK managers receive this accolade, representing those managers who are the very best of the best in the industry. **Read more on the story < <https://www.fe-fundinfo.com/en-gb/news/2020-fe-fundinfo-alpha-managers-revealed/>>**
